

July 2009

Congratulations Southern Cross Campus - Winners of the Un-forget-a-Bull breakfast!

As the winners of KickStart Breakfast's first nationwide competition, Southern Cross Campus school in South Auckland enjoyed a guest appearance from Anchor Mega Bull for an extra special breakfast club, thanks to their winning breakfast club photos.

Fonterra's KickStart Breakfast schools were invited to send in their best breakfast club photos for the chance to have Mega Bull visit their club for breakfast, with Southern Cross Campus taking out the top prize with their 'Breakfast is Cool' photo.

The student health leaders took the opportunity to promote the KickStart Breakfast club, putting together a presentation and presenting to the school assembly. The aim was to raise awareness for the breakfast club, get more students to come along and to highlight the need for student to have a good breakfast to help kick start their day.

Running on Tuesdays and Thursdays, Southern Cross Campus' breakfast club caters for around 20 students and is run by, student health leaders, and is supervised by teachers and supported by the local Life Church volunteers.

The winning breakfast club photo sent in by **Southern Cross Campus**.

Anchor Mega Bull has breakfast with the kids.
