

Dear Parents/Guardians,

We're very glad to let you know that we've recently joined the KickStart Breakfast programme!

KickStart Breakfast is a free programme where we will receive Sanitarium Weet-Bix and Anchor milk for our students to have access to at school.

Everyone is welcome to join our KickStart Breakfast programme for some kai, a chat and to connect with peers.

The programme is a community partnership involving Fonterra, Sanitarium, and the Ministry of Social Development, which has been running in Aotearoa since 2009 and currently includes more than 1,500 participating schools.

Our Breakfast Club will be open to all, and we look forward to watching the programme grow in our school.

## Come on in. Haere mai ki roto.
