## KICKSTART BREAKFAST CLUBS

### BUBBLE BREAKFAST CLUB

- ✓ Run in individual classroom bubbles
- ✓ Classes are equipped with bowls, spoons, Weet-Bix™
- ✓ Anchor™ milk is stored in central fridge and teacher brings milk to class each morning
- ✓ Students are responsible for getting their breakfast (with some assistance from teacher) and helping wash up
- ✓ Minimal disruption to day

### POP UP BREAKFAST CLUB

- ✓ Find a suitable location around your school:
  - Empty classroom
  - Hall
  - Common room
  - Homeroom
- ✓ Set up with crockery, utensils, KickStart Breakfast products & clean up station

### BREAKFAST STATIONS GRAB 'N' GO

- ✓ Students to 'fill a bowl' or grab a smoothie to take with them to class/eating space
- ✓ Have designated 'wash up' stations where students can clean used crockery and utensils
- ✓ Encourage BYO container from home to take their breakfast 'on the go'
- ✓ Option to have ready made smoothies to 'grab & go'
- ✓ Ideally located outside usual KickStart Breakfast club location, school hall or food technology room
